AMERICAN BRAHMAN BREEDERS ASSOCIATION SPECIAL RULES

The ABBA requires that everyone who exhibits cattle in an ABBA Show must be a member in good standing as either a Junior, Active or Show Member. Please review the ABBA Constitution and Rules to familiarize yourself with the membership levels along with their requirements.

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in association sponsored shows. The registration certificate for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.
3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.
4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. Include animal identification number (number brand) as a part of identification. When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Judges will be allowed to comment on placings in selected classes when conditions permit.
7. Each animal will be presented in the showing in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA staff, officers, executive committee or board of directors an animal has had its natural conformation or structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner & fitter will be in-eligible to exhibit cattle at ABBA Approved Shows for 5 years.

8. If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.
9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of the individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
10. For females being shown in the three oldest classes ****CURRENT YEAR LESS 3 YEARS**** (females calved Sept. 1, ____ - August 31, ____, for Fall Shows; females calved Jan. 1 - Dec. 31, ____ for Spring Shows), exhibitor must have a certificate of pregnancy no older than 30 days issued by a licensed veterinarian or certified technician to be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class **MUST** have her nursing natural calf at side. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf **MUST** be presented to the judge. The pregnancy certificate will be checked at the ABBA National, International & any other participating show.
11. ***All bulls will be shown with a nose ring or nose restraint with lead attached.*** For bulls being shown in the oldest class, the exhibitor must have a seasonal fertility certificate issued by a licensed veterinarian or certified technician stating the bull can settle cows. The certificate must be available for inspection by the judge on request. The seasonal fertility certificate will be checked at the ABBA National, International & any other participating show.
12. This deals with the produce of dam classes and the get-of-sire class. All group classes must be held by a handler in the show arena to be placed. At the International, National and any other participating show, the Original Registration Certificate or Original Copy (Blue with COPY across it) of each animal entering the ring for the group classes must be presented to the Show Official for parent verification. In an attempt to accommodate the exhibitors, the registration certificates of animals being exhibited in the group classes will be checked in advance at a specified time. Two animals for Natural Produce, four head for Embryo Produce and six head for the Get of Sire classes can be checked allowing the exhibitor to make the final selections prior to the show. If an exhibitor does not want to check papers early they would then have to bring papers on each animal that will enter the ring, at class check-in.

Embryo Produce of Dam - Two animals from the above classes produced by one dam by embryo transfer either or both sexes may be represented. No ownership requirement.

Natural Produce of Dam - Two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership requirement.

Get-of-Sire - Four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership requirement.

13. No exhibitor shall be permitted to show more than one produce or embryo-produce of dam per dam.
14. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be the natural calf of the cow being exhibited and must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.
15. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
16. *[The intent of the ABBA in shows that exhibit a large number of cattle is to divide the cattle into separate red and grey divisions.]*

If so, the following procedure will apply. All grey cattle and solid black cattle will show grey. Red, black & white speckled or red & white speckled cattle will show red. Cattle with questionable colored pigmentation may be entered in the color division the breeder selects, however, said cattle are subject to inspection by a three (3) member ABBA Color Committee. If the Color Committee disagrees with the breeder, the pedigree, features and color of said animal will then be considered on an equally weighted basis to aid in the final determination. The decision of the committee is final. Once animals have been classified they will be stamped with their color classification and remain in that classification throughout their show career. Color Classifications will only be done by the Color Committee at the International, National & All American Shows at a specified time. Any animal that is color classified and is shown at an ABBA Approved Show in another color classification will be in-eligible to show their remaining career. Both the exhibitor and owner of the animal that is shown in the wrong color division will be in-eligible to show animals for 13 months following the infraction.

In the get-of-sire and produce-of-dam classes, breeders will not be allowed to show cattle of mixed color in split shows. They will be entered as to the color division they are assigned by the Color Committee for the show. In shows that are not split there is no color requirement for the group classes.

17. The owner of record of any registered animal entered in an ABBA approved shows and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.
18. Beginning July 1, 2017 for shows to remain approved point shows by ABBA they must maintain a seventy five (75) head average for the previous two (2) years. Shows must also follow the Requirements of ABBA Approved Shows.
19. ALL Animals MUST have a Birth Weight submitted to be eligible to show in ABBA Approved Shows.
20. The official ABBA rules & procedures governing showing & exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.
21. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/ or ABBA Officials be split by age as evenly as possible.
22. Any animal that exceeds the weight & measurement requirements at the International Brahman Show, National Brahman Show, All American National Junior Show or any other designated show where weights & measurements are taken will be in-eligible to show at that show and any future ABBA Approved Shows until the next show that weights & measures are taken when they can requalify. Any animal that exceeds the parameters and is shown at an ABBA Approved Show before requalifying will be in-eligible to show their remaining career. Both the exhibitor and owner of the previously disqualified animal that is shown before requalifying will be in-eligible to show animals forever.
23. ABBA Members may remit a protest to the ABBA if they find another participants conduct to be in violation of the ABBA Show Rules. All protests must be in writing and must be signed by a member of the ABBA. Such protests must state plainly the cause of complaint or appeal and must be delivered to an ABBA Staff Person, ABBA Officer, ABBA Show Committee Chairman or Show Official within 72 hours of the infraction. Depending on the basis of the protest, a decision may be withheld until a complete investigation is done.
